

BRIGHTPENCIL KIDS

Continents and Oceans

Grade 3 | Ages 8-9 | Geography

This pack helps learners practise

Learn the seven continents and five oceans through labeling, clues and comparison tasks.

Print-friendly | Original learning content | Adult-guided

1. Keep it short

Use one or two activity pages at a time. Younger learners benefit from short, positive sessions.

2. Read the directions

An adult can read instructions aloud and model the first example when helpful.

3. Encourage thinking

Ask the learner to explain a choice, count aloud, sound out a word, or describe what they notice.

4. Revisit later

Repeat a page after a few days if the skill is still developing. Progress matters more than speed.

Name field

Write the learner name only on your printed copy if you wish. The public website does not need a child account to use this resource.

1. Write the seven continents: Africa, Antarctica, Asia, Europe, North America, South America, Australia/Oceania.
2. Which is the largest continent? _____

1. Write the five oceans: Pacific, Atlantic, Indian, Southern, Arctic.
