

BRIGHTPENCIL KIDS

Creative Writing Starter Pack

Grade 4 | Ages 9-10 | English

This pack helps learners practise

Original writing prompts with planning boxes, vocabulary starters and structured drafting pages.

Print-friendly | Original learning content | Adult-guided

1. Keep it short

Use one or two activity pages at a time. Younger learners benefit from short, positive sessions.

2. Read the directions

An adult can read instructions aloud and model the first example when helpful.

3. Encourage thinking

Ask the learner to explain a choice, count aloud, sound out a word, or describe what they notice.

4. Revisit later

Repeat a page after a few days if the skill is still developing. Progress matters more than speed.

Name field

Write the learner name only on your printed copy if you wish. The public website does not need a child account to use this resource.

Create a character who finds a key that opens something unexpected. List name, goal, strength, worry and one unusual habit.

Describe a place at sunrise using at least three senses. Include one small detail that makes the setting memorable.

Your character misses an important bus. Write three possible solutions, then choose the most interesting one.

Write eight lines of dialogue between two friends who disagree but must work together.

Instead of writing “Mia was nervous,” describe what her hands, voice and thoughts do so the reader can infer the feeling.

Plan a beginning, middle and ending for a story called “The Door Behind the Bookshelf.”

What felt easy?

What would you like to practise again?

Show what you know
